Certification of CPNI Filing February 3, 2006

Nucla-Naturita Telephone Company

Nucla-Naturita Telephone Company (NNTC) hereby submits that its procedures regarding its customers' Customer Proprietary Network Information ("CPNI") are in compliance with Section 222 of the Communications Act of 1934, as amended (47 U.S.C. 222) and 47 CFR §§64.2001-64.2009.

NNTC takes its statutory responsibility to protect its customers' CPNI seriously and therefore does not sell, rent or otherwise disclose customers' CPNI to other entities. Further, NNTC does not currently use, nor allow its affiliates to use, any customers' CPNI in marketing activities. Any request for CPNI is immediately forwarded to a company officer. NNTC's employees have been educated about CPNI, federal regulations and NNTC's statutory responsibility to its customers. Any unauthorized use, sale, or otherwise disclosure of CPNI by any employee would subject the employee to disciplinary action, up to and including immediate dismissal. Further, NNTC does not use, disclose or permit access to customers' CPNI for the purposes of identifying customers placing calls to competing carriers.
